Weight Lifting Gears

Sports Wears

About Us

KERIMEX is one of the largest manufacturers of Fitness and Sports Wears products. We're based in Sialkot, Pakistan and have been in the industry since 2003.

Our company backed by most experienced craftsmen/technicians.

Our manufacturing facility is fully equipped with the modern machinery. We always use best material with proper specification in the production. So we have flawless workmanship and superb finish.

We are working with different International Brands around the world. Our clients are happy with our finest product quality.

Our mission is to earn your trust by giving you the outstanding service along with quality products.

We always welcome new customers and our old customers to consider us their business partners and good friends. Customer satisfaction is our main priority in the business and will always be.

We Thank you for giving us this opportunity to serve you at our best possible level.
